National Eating Disorders Association (NEDA)
http://www.nationaleatingdisorders.org

NEDA is a national organization dedicated to the prevention, treatment, and recovery of eating disorders. They offer resources, support, and information to help those affected by eating disorders and their loved ones.

The Medical Care Standards Task Force

A network of experts in the field of eating disorders, this task force is dedicated to setting and implementing medical care standards to improve the quality of care for those affected by eating disorders.

ANRED (NATIONAL EATING DISORDERS RESEARCH AND DEVELOPMENT NETWORK)

ANRED is a research network that brings together experts from around the world to conduct research on eating disorders.

EDAP (Eating Disorders Action Project)

EDAP is a grassroots organization that advocates for the rights of people affected by eating disorders and works to raise awareness about the issue.

The Medical Care Standards Task Force

This task force is working to set and implement medical care standards for eating disorders, with the goal of improving the quality of care for those affected.

115 National Eating Disorder Awareness Week, February 20-26, 2016

This year's Awareness Week is dedicated to raising awareness about the impact of eating disorders on young people and their families.

The Medical Care Standards Task Force

The task force is committed to ensuring that all people affected by eating disorders have access to high-quality care, regardless of their background or circumstances.
